President's message,
Wally, KK6CPN

From the desk of *The Readout* editor John Otte, K6JRO

Welcome to another edition of *The Readout*!

Another Field Day is around the corner but, like 2020, this year's Field Day will look somewhat different.

While it appears that Governor Newsom will open the state up tomorrow, The SARA club officer and board members decided not to host Field Day again this year. This was done out of an abundance of caution and the uncertainty of Covid restrictions being lifted. Due to the logistics of Field Day, this decision needed to be made early. Be that as it may, Field Day is not lost! Like last year, you are encouraged to be active at home and forward you contact logs to Ed Hanna, KF6FIR. For more information, please see the Featured Article below.

Finally, it is with a heavy heart that I report the passing of Al, WG6M. Al was a long-time member of SARA and he will be deeply missed. His obituary has been reprinted below.

If you have any suggestions for articles or if you would like to publish an article, please reach out to me at k6jro@arrl.net. Stay safe! Stay healthy!

73 de John, K6JRO

A Message from the Club President Wally, KK6CPN

Well, I hope everyone survived another month of Covid Tiers. Per the Governor he is opening California on June 15th so we will have to wait and see what restrictions are put in place. When this happens hopefully, we will get word from County OES when we will be able to have face to face meetings.

I hope everyone who participates in Field Day enjoys themselves and remember to send your contacts to Ed KF6FIR.

Remember I will not be here for the June or July meetings since I will be on a cross country trip, coast to coast with my wife and grandchildren. I

will return for the August meeting so this will be the last communicate with the Club.

Have a safe Field Day and Fourth of July until then,

73 to all.
Wally, KK6CPN6

Minutes: MAY
Zoom meeting

Next General
Meeting:
Zoom Tuesday,
June 15th

Joining SARA:

We are currently taking membership applications for 2021.

One-year dues are \$30.00 for individuals, or \$45.00 for a family. To join, fill out the registration form in this newsletter and bring it to any SARA meeting.

Minutes from the MAY Zoom meeting

**Stanislaus Amateur Radio Association
P.O. Box 4601 Modesto, CA 95352**

May 18th, 2021

Club Meeting Minutes

(conducted over ZOOM due to COVID19)

Attendance (President did not do a roll call)

Lucian, KF6NPG	Everett, KN6NQN	Davona, KF6TSY
Richard, W6DU	John, N6JCS	Wally, KK6CPN
John, W6PY	Paul, W6UHF	Linda, W6MUT
Robert, KD6BNY	Eva, KM6BIP	Patrick, KG6AZZ
Patty	Mel W7EOV	Derrell, W7LTM
Mark, N6ARP	Vicki, KF6RCV	Robin KG6ZYQ
Jason, KA6TIO	Rick, KF6TEZ	Randy, KF6RJS
Cheryl, KK6GJM	James, KK6ILV	Dan, WL7COO
Tom, K6KQR	Mark, WB6BJN	Jerry, KN6MOL
Danny, W6DMC	Zack, KI6KQO	John, K6JRO
Marty, KG6QKJ	Bill, KN6DAM	

President Wally, KK6CPN called the meeting to order at 7:05 pm and welcomed everyone. There were 30 members and 2 guests in attendance.

Even though the April minutes (contained in the club newsletter the READOUT) were sent out to the membership prior to the meeting along with the club zoom meeting link via e mail, President Wally asked that they be read. Minutes were read by Club Secretary. Motion to approve by Robin, KG6ZYQ and second by Mark, WB6BJN. Motion was approved.

President: Wally, KK6CPN

Wally clarified that there would not be a club sponsored Field Day location this year due to COVID. The club would participate in Field Day the same as last year (refer to old business). Hopefully the club can sponsor a Field Day site next year. He again asked if anyone was willing to take on the job of Field Day coordinator for next year. If you are interested, please contact Wally at kk6cpn@yahoo.com. He reminded everyone that he would be out of town for the June and July meetings. Vice President Mark, WB6BJN will run the meetings. He hopes that we can have a face-to-face meeting in July. We are awaiting guidelines on the use of the meeting rooms.

Vice President: Mark, WB6BJN

Mark gave a weather report. Cool 72 to 80 degrees tomorrow with lows of 39-47 degrees, chilly. 65-75 degrees Thursday with lows of 43-51 degrees. It is cold here and hot in the east.

Write for *The Readout*.

If anyone has information that they want included in *The Readout* please submit to the editor
k6jro@arrl.net.

Please try and have the information or articles to the editor by the 30th of each month.

Treasurer: Vicki, KJ6RCV

She read the treasurer's report and a copy will be attached to these minutes and will be included in the READOUT. Motion to approve by Tom K6KQR and second by Mark WB6BJN. Motion was approved.

Sergeant at Arms: Mark, N6ARP

Mark had no report.

Board Members: Paul, W6UHF. Scott, N6CIC, Brendon, NK6M, and Bill, AE6J were not present.

Paul had no report. Paul asked if it was true that Pacificon was going to be held in person. He was told that Pacificon was indeed scheduled to be held in person this year. He was directed to the Pacificon web site for further information.

Equipment/Mt Oso: Patrick, KG6AZZ

Patrick reported that we had obtained the parts to bring up the antennas at the packet site on Mt. Oso up to the "r56" standards and a trip was being planned to complete the work. This is a requirement of the Bureau of Reclamation which owns the building where our packet equipment is located.

ARES: Lucian, KF6NPG

The May ARES meeting was Saturday 1, 2021 (10:00am to Noon). The meeting was held over ZOOM. Officer reports were given and there was a discussion regarding the County Wide Hospital Communications Exercise and use of the Winlink forms for the exercise. The next meeting is Saturday June 5, 2021, and the ZOOM link will be sent out a couple of days before the meeting. There will be officer's reports and a discussion about ARES training and go boxes.

Community Events: Lucian, KF6NPG

The Turlock Lake Road Race and Regalado Road Race have been cancelled. The Copperopolis Road Race is scheduled for Saturday June 5, 2021. We will continue to monitor with the event coordinators and let everyone know of any updates.

Ham Cram: John, K6JRO

The next Ham Cram is scheduled for Saturday August 14, 2021, unknown at this time of what the COVID restrictions will be.

Dan, WI7COO San Joaquin Valley SEC:

Dan suggested that we look into the use of solar at the repeater site. This will be considered after we complete some other work at the repeater site and the packet site.

Un-Finished Business:

None

Old Business:

The SARA club will follow the ARRL guidelines (as we did last year) that allow club operators to document contacts and send them into the club and the club would send in the completed contact list to ARRL.

Ed, KF6FIR volunteered to be the collector of contacts made by club members and would tally them and send in on behalf of the club to ARRL. Ed asked that contact lists submitted to him be typewritten. You can

submit them in word or similar type format or in a spreadsheet type format. This will allow him to cut and paste the contacts into the tally sheet that would be sent in to ARRL. Ed's email is ed@kf6fir.net.

People may want to go up to the field day site on their own, just remember that it would not be a club sponsored event.

New Business:

None

Presentation:

There was no presentation.

Meeting Adjourned:

The next SARA Club meeting is Tuesday June 15, 2021 (7:00pm to 8:00pm) and will be conducted over ZOOM. A link will be sent out before the meeting.

Motion to adjourn by Robin, KG6ZYQ and second by Randy, KF6RJS.
Adjourned at 7:38 P.M.

Minutes by Lucian, KF6NPG, Club Secretary

ARES

Pat, KG6JXZ
Stanislaus County
Emergency
Coordinator

Stanislaus County ARES Report

The social distancing requirements for the fully vaccinated are loosening up per the Centers for Disease Control. The Governor plans to open the State and lift most of the COVID restrictions on June 15, 2021. We will seek guidance from OES on the use of the meeting rooms and plan for face-to-face meetings for the SARA Club and ARES. At least for May and June (SARA Club) and June (ARES) we will meet again on ZOOM.

The Regalado Road Race and Turlock Lake Road Races have been cancelled. The Copperopolis Road Race is scheduled for Saturday June 5, 2021, and they have their permit from Calaveras County. Thanks to all of those who have volunteered to work this event.

Stanislaus ARES did participate the County Wide Hospital Communications Drill on Wednesday May 26, 2021, for 9:30am to Noon. Pat, KG6JXZ and John, K6JRO were assigned as net controls and worked in the ARES room at OES. Lucian, KF6NPG worked at Doctors Medical Center, Paul, W6UHF worked at Memorial Medical Center, Patrick, KG6AZZ worked at Kaiser, Bill, AE6J worked at Oak Valley, Dave, KA6GJN worked at Emmanuel. John, N6JCS worked at Health Services Agency and Mark, N6ARP worked at Mountain Valley Emergency Medical Services Agency.

The communications drill was very successful. We discovered some strengths and weakness. Pat, KG6JXZ is putting together all of the evaluation information for discussion at a future ARES meeting. Please continue to practice using Winlink and the forms that are available in the program. We will also look at some Peer-to-Peer practice at a future meeting. Thanks to all who have volunteered to participate in this exercise.

With the opening of the State in June, Pacificon has posted on their web site that this year's convention will be face-to-face. The dates are October 15-17, 2021. For more information, please go to their web site www.pacificon.org. Pat, KG6JXZ continues to work on this year's training activities. If you have any training ideas or activities that the group can participate in, please let Pat know.

The next ARES meeting will be June 5, 2021, and the training and will focus on ARES training and go boxes.

Please keep yourselves and your families safe.

Lucian Thomas, KF6NPG Assistant Emergency Coordinator, Stanislaus Co.
KF6NPG@aol.com

Station photos from Doctors Medical Center

ARES® operates under the authority of the Stanislaus County Office of Emergency Services (OES), and the Stanislaus County Assistant Director for OES. ARES® is organized under the auspices of the American Radio Relay League, the San Joaquin Valley Section Manager, and the San Joaquin Valley Section District Emergency Coordinator. Operational control is under the Stanislaus county OES.

If you are interested in joining Stanislaus ARES, go to the Stanislaus ARES website (www.stanares.org) and click on the Join ARES tab. There is information on how to join and the membership forms to complete are available there. Please check in on the ARES voice radio net very Wednesday at 7:30 pm on the 145.390 – pl. 136.5 S.A.R.A. repeater. There is also an unproto Packet radio net during the voice net on 144.910 via the SARA node. The monthly training meeting is at 10:00am on the first Saturday of the month at 3705 Oakdale Road Modesto, CA. Meeting dates and times can change due to operational needs. Please check the web site for updates.

Due to the State-wide Stay in Place Order, ARES meetings will be conducted via Zoom. Access will be emailed a few days prior to the Saturday meeting. Please make sure Lucian, KF6NPG has your email address on file. The next Zoom meeting will be 10am on Saturday, APR 3rd.

Ham Cram

John, K6JRO Ham Cram coordinator

Ham Cram Information

Study for your amateur radio license or upgrade your current license. Sponsored by the SARA and Stanislaus county ARES.

When and Where?

August 18, 2021
Office of Emergency Services
3705 Oakdale Road, Modesto, CA

While the state is scheduled to fully open on June 15th, we still do not know how this will impact the AUG cram. Current restrictions are listed below:

COVID-19 Restrictions

Due to COVID-19 the all-day cram will be limited to 15 people. All

individuals in the building will have to wear a mask.

All registered individuals will need to bring the following:

ARRL EC-001 course

- A valid identification, preferably CDL (California Driver's License)
- Cash or check for \$15 for the testing session, check preferred and payable to the American Radio Relay League (ARRL).
- If you are upgrading your license, please bring a copy of your current license as well as the ORIGINAL.

Sign Up

Please send the following information to hamcram@stanares.org

Full name, Address, Phone, and Call Sign if you have one.

If you have any questions, please email John Otte, K6JRO at k6jro@arrl.net.

ARRL EC-001 Emergency Communications Course

If you need to take the ARRL Emergency Communications Course (EC-001) Stanislaus ARES can help. The EC-001 workbook is out of print, however The Indian River County ARES has all of the study information (including test and answers) posted on their web site. Recent amateurs who have taken the test have printed out the test questions and answers and have studied like they would for a ham cram. Pass rate has been about 100 percent.

The ARRL has updated this course. There are some content differences, however members who have used this to prepare for the challenge exam have been successful.

Here is the web site to study for the ARRL Introduction to Emergency Communications Course challenge examination (EC-001):

Go to www.ircares.org This is the web site for the Indian River County ARES. Once you are on the web site click on the training and reference tab. Then click on the ARRL Introduction to Emergency Communications (EC-001) tab. That will take you to the course information.

Once you complete this on-line study you can arrange with Stanislaus ARES to take the ARRL test. We generally give the test at a ham cram session or before or after the monthly ARES meeting. Please e-mail Pat KG6JXZ at kg6jxz@charter.net, or Lucian KF6NPG at kf6npg@aol.com or John K6JRO at k6jro@arrl.net to arrange to take the test. **There is a \$15.00 test administration fee payable to ARRL.**

You can also access the updated ARRL EC-001 course at the ARRL website. Go to www.arrl.org. Once there click on the licensing, education and training tab. Then click on the

Featured Article

online course catalog tab and look for the EC-001 course. It states that it takes about 45 hours to complete the course over 9 weeks. Once you complete the ARRL course you can take the exam online. From what I can see there is no charge to take the course or exam. You have to take the course before you can take the exam.

You cannot take the challenge exam online.

Field Day 2021 by John Otte, K6JRO

Field Day is an annual amateur radio event held on the fourth full weekend of June, beginning at 18:00 UTC Saturday and running through 20:59 UTC Sunday. The focus is to encourage emergency communications preparedness among amateur radio operators. It is typically the largest single emergency preparedness exercise in the country, with over 40,000 operators participating each year.

Hams are encouraged to set up temporary transmitting stations in public places to demonstrate ham radio's science, skill and service to our communities and our nation.

Field Day combines public service, emergency preparedness, community outreach, and technical skills all in a single event. Field Day has been an annual event since 1933 and remains the most popular event in ham radio.

The objective is to contact as many stations as possible on the 160, 80, 40, 20, 15, and 10 Meter HF bands, as well as all bands 50 MHz and above, and to learn to operate in abnormal situations in less than optimal conditions. While the spirit of Field Day is emergency preparedness, it is also a contest and, as such, there are rules and guidelines.

The COVID-19 rules established in 2020 will continue for 2021:

Class D stations may work *all other* Field Day stations, including other Class D stations, for points. This year, however, Class D and Class E stations will be limited to 150 W PEP output.

An *aggregate* club score will be published — just as it was done last year. The aggregate score will be a sum of all individual entries that attributed their score to that of a specific club.

ARRL Field Day is one of the biggest events on the amateur radio calendar. Last summer, a record 10,213 entries were received.

"With the greater flexibility afforded by the rules waivers, individuals and groups will still be able to participate in Field Day, while still staying within any public health recommendations and/or requirements," Bourque said.

The preferred method of submitting entries after Field Day is via the web applet. The ARRL Field Day rules include instructions on how to submit entries, which must be submitted or postmarked by Tuesday, July 27, 2021.

Silent Key

If you plan on participating in Field Day this year, please send your contact logs to Ed Hanna, KF6FIR at ed@kf6fir.net.

Section were reprinted from the ARRL June 8, 2021

Silent Key Al, WG6M:

Alvin Dionizio

November 3, 1930 - May 23, 2021

Modesto, California - Alvin (Al) was born in Turlock, CA to Alfred and Ella Dionizio and spent first five years on the family dairy farm near Hilmar, CA. His father moved the family to Modesto, CA to work for the City of Modesto in 1935.

Alvin attended schools in Modesto from elementary grades through high school, graduating from Modesto High School in 1948.

Alvin joined the U.S. Navy soon after graduation and was sent to Millington, TN for aviation technical training. Upon completion of training, he was sent to NAS Alameda, CA for duty in 1949.

In October 1949 he married his high school sweetheart Betty Frick. A son Thomas Dionizio was born at Oak Knoll Naval Hospital in Oakland, CA in September 1950.

Alvin's enlistment was frozen for one year because of the Korean conflict, but he volunteered to stay for two years. In January 1952 he was transferred to NAS Barber's Point, Hawaii. His wife and son joined him there.

Alvin was honorably discharged in June 1953 at Treasure Island Naval Base. He spent several months in the Veterans Hospital in Oakland, CA. His wife gave birth to their daughter Ann Dionizio in December 1953.

In 1954 Alvin started college on the G.I. Bill at Modesto Junior College and received an A.A. Degree in 1956. He then attended College of the Pacific in Stockton, CA and received a B.A. Degree in education with honors in 1958. He returned to Modesto where he taught school until 1987 when he retired.

Alvin and his wife enjoyed taking trips during the summer break from teaching. He was an amateur radio operator and member of the Stanislaus Amateur Radio Association. He enjoyed golfing, fishing and watching football on television. He belonged to several organizations including, Modesto Elks Lodge 1282, American Legion Post 74 Modesto, and E Clampus Vitus Chapter 58.

Alvin was preceded in death by his wife Betty, his parents and his sister Janet Humphrey.

He is survived by his children Thomas Dionizio (Carla) and Ann Benjamin (Paul), 2 grandchildren and 3 great-grandchildren.
